**UCLA EXTENSION**  
**AMERICAN LANGUAGE CENTER**

**Hillside Residence Hall** offers a unique living environment for students. The residence hall is located across the street from the beautiful Botanical Gardens of UCLA. Several rooms have a view of the campus. A total of seventy beds are available, arranged in double, triple, and quadruple rooms. In addition to international students, UCLA students occupy the residence hall. This mix provides a good opportunity for international students to meet and interact with American students.

The residence hall provides a drug and alcohol free coed living experience. There are separate bathrooms for men and women. Rooms are carpeted and furnished with a bed, desk, and a dresser for each student. Laundry facilities are also available. The common areas allow students to socialize in a casual setting, with comfortable couches, a large screen television, and a Ping-Pong table.

NOTE: Although UCLA Extension facilitates contact between prospective students and housing providers as a service to both, any agreement regarding housing or related services shall be between the student and the housing provider and not between either party and UCLA Extension. UCLA Extension is in no way liable to either party regarding the performance of obligations under any agreement.
